EDITOR'S BOTTOMLINE

Over 67 percent of children below five years in India are anaemic. That translates to about seven in every 10 children suffering from iron deficiency. The outcome of the phase-2 of the National Family Health Survey (NFHS) reveals the dangerous demographic pattern for a country that wants to be a global economic superpower. Back in the 1970s, India had launched the National Nutritional Anaemia Prophylaxis Programme (NNAPP) to fight the deficiency. In 2019, it rolled out the Anaemia Mukt Bharat campaign. Two years hence and after COVID-19, the numbers have not just ballooned but are even scary in some States.

This begs for re-strategising of nutritional planning for the country as well as individual States where the situation remains grim. Change in dietary plans, use of sustainable local solutions and further strengthening of surveillance and monitoring systems would be the need of the hour. There should be regional planning for nutritional programmes too. It is important to find out whether the pandemic has snapped nutrition access to children and women who are largely dependent on supplementary nutrition schemes and rework the planning. The dream of a New India cannot be built on a large population of children and mothers deprived of nutritional sufficiency. *— In The New Indian Express*

Man sets world record for soccer ball collection

Mexico: Rodrigo Romero Saldivar, a soccer fan broke a Guinness World Record by amassing a collection of 1,230 soccer balls. It all began in 2006, when he was attending the World Cup in Germany and bought a ball so he and his friends could play.

His collection started to grow as he bought balls from various stores in Mexico, and later branched out buying balls internationally online. He joined social networking groups dedicated to collecting.

Guinness confirmed Saldivar's collection bested the previous record of 861 soccer balls, which was set by Argentina collector Fernando Fuglini. "Luck does not come by itself; you find it and if you set your mind to it and fight for your dreams, the doors and roads become easier," Sadivar told Guinness.

Creepy doll-filled balcony looks terrifying

Caracas: The "Balcony of the Dolls" is an eerie landmark in central Caracas, the capital of Venezuela. It consists of a large balcony lined with old doll heads that seem to follow people with their eyes as they pass by.

The place is a two-storey building that has captured the imagination of both locals and visitors of the Venezuelan capital. It's the sort of thing that's easy to miss if you simply walk by in a hurry without looking up, but if you're the kind of person who likes to take in the sights, there's no way to miss the hundreds of creepy doll heads looking back at you from above.

HEALTH CAPSULE

Myth: Carbs make you gain weight
Fact: Just as fat has been blamed for promoting weight gain and heart disease, carbs have been shunned by many people over fears that consuming this macronutrient will cause obesity, diabetes, and other adverse health effects. Eating a moderate amount of nutritious carbs that are high in fibre, vitamins, and minerals like starchy root vegetables, whole grains, and legumes will likely benefit your health — not harm it.

Accident-prone road in Nazarbad

Sir,

The road from Nazarbad Police Station Circle to Nandini Parlour is in a very horrible and pathetic condition. This is an important road connecting to Bannur, T.Narasipur, M.M. Hills and Kollegal. Besides, lot of residential areas like Siddartha Layout, Alanahalli, Teachers Layout, new DC Office are linked by this road that is full of potholes.

As a result, motorists, particularly two-wheeler riders, have to do a lot of acrobatics to navigate this road where many accidents are taking place regularly. The irony is that Traffic Police do regular checking for helmetless riders at Nazarbad Police Station Circle and Siddartha Layout deviation but they don't seem to have taken notice of the bad patch of the road which is much more dangerous to commuters than driving without helmets.

I urge the local Corporator, MLA, MCC Commissioner and our proactive District Minister to look into this matter and make this road safe and worth driving.

Spectacled Cobra rescued from Srirampura house

Mysuru, Dec. 10 (SBD&KS)- A Spectacled Cobra that had entered into the bathroom of a house at Srirampura here on the day of Shasti yesterday has been rescued by snake rescuer Surya Keerthi.

One of the woman family members of the house, who saw the snake entering the house screamed for help and the snake entered the bathroom. They closed the door of the bathroom and immediately called Surya Keerthi, son of city's well-known snake rescuer and wildlife conservationist Snake Shyam over the phone.

Surya, who rushed to the house, entered the bathroom only to find the snake coiled around on the tap and rescued it. He then put the snake in a container to release it in its natural habitat.

Do not pour milk into anthills

Surya said that on the day of Shasti, devotees offer fruits, decorate anthills with flowers, smear *kumkum* and turmeric, pour milk into the anthills, light camphor and perform puja, which is a tradition that has been followed from ages.

"It is not wrong to display devotion, but the puja should not harm the snake for which devotees pray for. Snakes do not eat fruits or drink milk, they hunt frogs, lizards, small reptiles and eat them, which is scientifically proven," he said.

He further said that when milk is poured into anthills, milk mixed with *kumkum* and turmeric enters into the anthill and slush is formed inside. When snakes enter these anthills to cool themselves, the slush enters their nostrils and get hardened which may result in their deaths.

He urged the people not to harm snakes but inform him when they spot one, so that it can be rescued and relocated to its natural habitat.

Man held for desecrating idols

Mysuru, Dec. 10 (SPN&KS)- Saligrama Police have arrested a peculiar person, who used to break into temples in Mysuru and Mandya districts, never used to touch cash but used to desecrate idols in the temple.

The accused was arrested at Akki Hebbal, a village bordering Mysuru and Mandya district and the Police have refused to divulge details about him.

On Dec. 7 evening, a miscreant had desecrated Shivalingas at Sri Siddalingeshwara and Male Mahadeshwara Temples near Bherya village by breaking into these temples.

A small Shivalinga and the idol of Basava was also damaged at Male Mahadeshwara Temple which is about 200 mts from the previous two temples and the miscreant had fled from the spot.

Based on the complaints from the Management of the temples, Saligrama Police had registered cases and had taken up the investigation.

Superintendent of Police (SP) R. Chethan and Additional SP Shivakumar, who had visited the spots, conducted inspections and had formed a Police team which was led by Dy.SP Dr. A.R. Sumeet and Saligrama Inspector Srikanth to investigate and arrest the accused.

The Police team, acting on a tip off, raided a place at Chikkabherya village in K.R. Nagar taluk and arrested the accused. During interrogation, the accused, who not only confessed of desecrating idols of the above temples also told the Cops that he had damaged the idol at Sri Lakshmidevi Ammanavara Temple at Vaddaragudi in K.R. Pet Rural Police limits and had thrown the same into an open well and had also tried to break open the lock of Sri Anjaneyaswamy Temple at Beeravalli village but had to flee from the spot on seeing people coming to the temple.

Meanwhile, Mysuru Rural Division Dy.SP Dr. A.R. Sumeet said that the accused had studied SSLC and was involved in agriculture for his living.

Assuming that the people were being cheated by praying to idols, he had damaged them and had fled from the spots, he added.

The Dy.SP further said that following a tip off from the public, the accused was arrested near Akki Hebbal village and added that the accused was only damaging idols in the temples but had never touched cash or jewels of Gods. To prevent disturbance to law and order situations more details of the accused cannot be revealed, Dy.SP Sumeet added.

SP R. Chethan said that the crime committed by the accused was very sensitive which hurts the religious sentiments of the people. Sub-Inspector Doddegowda, ASIs Kumar, Thimmarajanayaka, Basappa, Mahesh, Madhukumar, Vijayaraghu, Chethan and Girish and driver Dinesh assisted the investigation team. The SP also announced a reward for the investigation team.

KSRTC Workers Union to submit memorandum on demands to CM

Mysuru, Dec. 10 (PM&DM)- The INTUC-affiliated KSRTC Workers Union has decided to submit memorandum containing charter of demands to the Chief Minister through Deputy Commissioners on Dec. 14 and Managing Directors of State Transport Corporations on Dec. 28.

Announcing this at a press meet here recently, Union President M. Mallaiah said that the demands included a 5 percent hike in wages with retrospective effect from Jan. 1, 2020, facilities to retired employees and overtime allowance, among others.

Alleging that KSRTC Management has been harassing workers and also depriving them of statutory benefits, Mallaiah wanted a revision of the agreement reached between the Management and the Trade Union, that ended on Dec. 31, 2019.

Pointing out that KSRTC Staff and Workers Federation had passed a resolution on Nov. 30, seeking wage revision and fulfilment of various other demands, he accused the authorities of failing to remit Insurance premiums which have been cut from the salaries of employees, to the Insurance Company.

Urging the Government to take measures for fulfilment of their demands, he reiterated that a memorandum will be submitted to the Chief Minister in this regard, through DCs and MDs of Transport Corporations, in order to draw the attention of the Government.

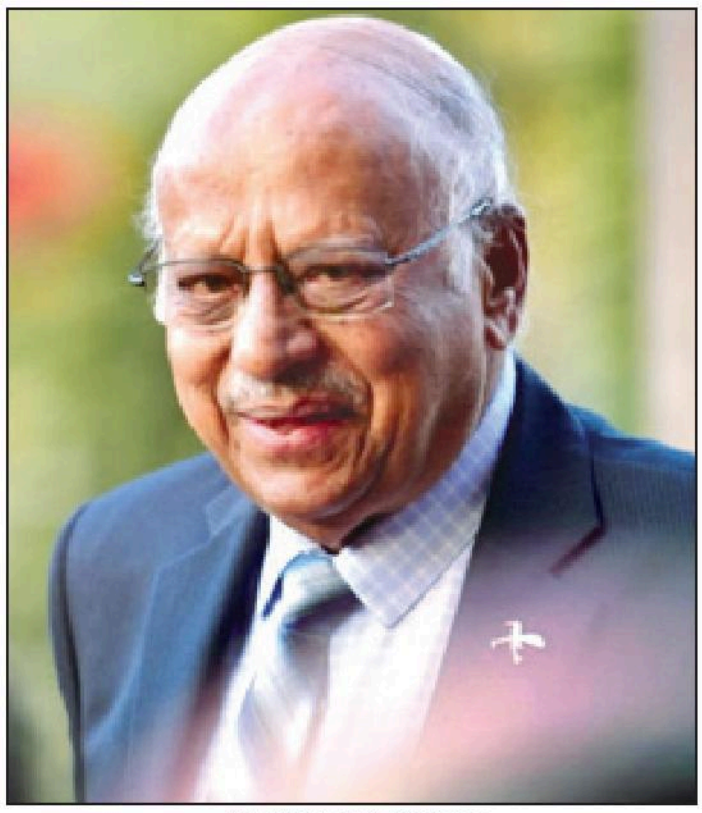
Tribute and Reminiscences

Dr. A.A. Kuttappa



Dr. Adengada A. Kuttappa

At last the last month of the year has arrived. December sums up all the happenings of the year and passes us to a new hope for the coming year with a wave of cold and comfort. Let us all bid farewell to 2021.

"Christmas makes us merry. Let happiness and good health be yours. The year has given some of us joy and some sorrow as is the rule of the NATURE. Let us hope for the best."

This was Dr. A.A. Kuttappa's last WhatsApp message I received on 1st December, 2021. From March 2020, he started writing a few lines like the above narrating about the previous month and hoping for better days to come. This was the way Dr. Kuttappa expressed his feelings with his dear ones.

On 1st November, 2021 he wrote:

"The penultimate month of the year NOVEMBER arrived with our glorious KRS being full. What a welcome for the RAJYOTSAVA!

Starting with the celebration of Rajyotsava this month we have a lot of Bright festivals like DEEPAVALI and PUTHARI (a prominent festival for Kodavas). Let all of us pray for bright things to happen and happiness to spread all over, health being the prime concern."

Before bidding farewell to the year 2021, he bid farewell to all of us. It is unfortunate that two more dental surgeons — Dr. Kurthukoti and Dr. Chengappa — have also left us this year.

Having known Dr. Kuttappa for the last 52 years as a professional colleague and as a friend, I thought of penning a few words about him.

Dr. A.A. Kuttappa (popularly known as Shyam amongst his friends) was the first Dental Surgeon with BDS degree to start full-time private practice in Mysore after completing his studies in Nair Hospital Dental College, Bombay, in the year 1964.

Dr. Thomas Eapen, who was the first BDS qualified Dental Surgeon and Senior to Dr. Kuttappa, was already working in K.R. Hospital but had part-time practice.

Dr. S. Ramachandra, MBBS DMD, the Founder-Principal of the first Government Dental College in Bangalore, had established the Dental Department in K.R. Hospital in the year 1950. Dr. Eapen and Dr. Kuttappa were responsible for the birth of **Mysore Branch of Indian Dental Association (IDA)** in the year 1969.

Dr. Kuttappa was instrumental in organising a number of Dental Conferences in the State.One such was in Hubli in the year 1985 when he was the President of the Karnataka State Dental Association and it was a memorable one. He was always ready to take lead in organising free dental service camps in Kollegal, Hanur, Chamarajanagar, Gundlupet, Hunsur and K.R. Nagar. His humorous spontaneous jokes would keep us laughing during our journey to and from rural dental camps.

The President and Secretary of the local branch of IDA went on changing every year but the post of Treasurer was always reserved for Dr. Kuttappa. Being Hon. Treasurer continuously for 20-plus years our Association funds were in safe hands, with meticulously maintained accounts.

Though a teetotaller, he was always ready to host dinner meetings of the Association at his home and we enjoyed the hospitality of Mrs. Geetha Kuttappa many times.

Yes, indeed Dr. Kuttappa was a people's dentist, a gentleman in profession and social life as mentioned in the tributes paid to him in *Star of Mysore* dated Dec.3, 2021.

We miss you, Kurthukoti, Chengappa and Kuttappa.

— On behalf of Mysore Dental Fraternity by Dr. B.K. Chandramohan, Retired Professor and HoD, Oral & Maxillofacial Surgery, JSS Dental College, Mysuru

The candidates are Raghu R. Kautilya of BJP, Dr. D. Thimmaiah of the Congress, C.N. Manjegowda of the JD(S), Vatal Nagaraj of Kannada Chaluvali Vatal Paksha and Gurulingaiah, K.C. Basavarajaswamy and R. Manjunath, all independents.

This election is of preferential pattern, in which the voters are required to mark their ballots in order of preference on the choice of their candidates for the 2-member seat. GP members, who form a majority of the electorate, were seen taking their own time at many booths to exercise franchise as they sought to create a 'demand' of sorts for themselves in order to cast the second preferential vote.

Though voting began on a moderate note, it picked up momentum as hours passed by with Mysuru district recording a poll percentage of about 34 percent and Chamarajanagar about 46 percent at 12 noon. Voting concludes at 4 pm after which ballot boxes will be moved to Maharani's Commerce and Management College for Women at Paduvarahalli in city, where they will be kept in safe custody.

Counting of votes will be taken up on Dec.14. Results will be announced the same day. In the State, the election is being held for 25 seats, with BJP and Congress contesting 20 seats each, JD-S 6 seats.

'Inter-caste marriages help in maintaining national integrity'

Noted writer Prof. Aravind Malagatti offering floral tributes to the portrait of Dr. B.R. Ambedkar at the 65th Mahaparinirvan Divas organised by Karnataka Dalit Welfare Trust at Institution of Engineers-India (IEI) on JLB Road in city on Monday as others look on.

Mysuru, Dec. 10 (MTY&DM)- Observing that inter-caste marriages are vital for maintaining the country's integrity and unity, noted writer Prof. Aravind Malagatti called for making inter-caste marriages mandatory for those who wish to join Hindu organisations such as RSS and VHP.

He was speaking at the seminar on 'Ban on Religious Conversions' at the 65th Mahaparinirvan Divas, organised by Karnataka Dalit Welfare Trust, commemorating the death anniversary of Dr. B.R. Ambedkar at the Institution of Engineers-India (IEI) on JLB Road here on Monday.

Accusing the RSS and VHP of misleading people, Prof. Malagatti said that these organisations were indulged in diverting the attention of people through issues such as 'Ghar Wapsi' and Anti-Conversion Law.

Reiterating that making inter-caste marriages mandatory for entering Hindu organisations will help in ending caste and community discrimination, he opined that inter-caste marriages will also bring an end to religious conversions.

Hitting out at BJP leaders for speaking much on Anti-Conversion Law these days, Prof. Malagatti observed that the Law is a breach on the freedom of people to choose their faith.

Noting that Dr. B.R. Ambedkar, who was upset with discrimination in Hindu religion, converted to Buddhism in his later days, he argued that the Anti-Conversion Law is itself a big menace that the country is facing today.

Pointing out that there was no need for the Government to bring Laws for preventing forced or enticed conversions, he said that the Government must understand that the Constitution itself provides protection against forced conversions.

Stating that Dec. 6 is also the day when Babri Masjid was demolished and Pokhran Nuclear Tests were conducted, he recalled that the then Prime Minister Vajpayee, buoyed by the success of the tests, had smilingly said that 'Buddha Laughs.'

Noting that Dec. 6 of that year also happened to be Buddha Poornima Day, he said that the Parinirvan Divas will be more meaningful if Ambedkar's thoughts are widely propagated among the masses.

Columnist N. Diwakar, in his address, expressed concern over rising attacks on people in the name of moral policing.

Accusing the BJP of raising the bogey of religious conversion during the elections in order to gain votes, he charged the party of also preventing Dalits from embracing Buddhism.

Writer Prof. Kalegowda Nagawara, former Sanskrit Varsity Vice-Chancellor Prof. Padma Shekar and others were present.

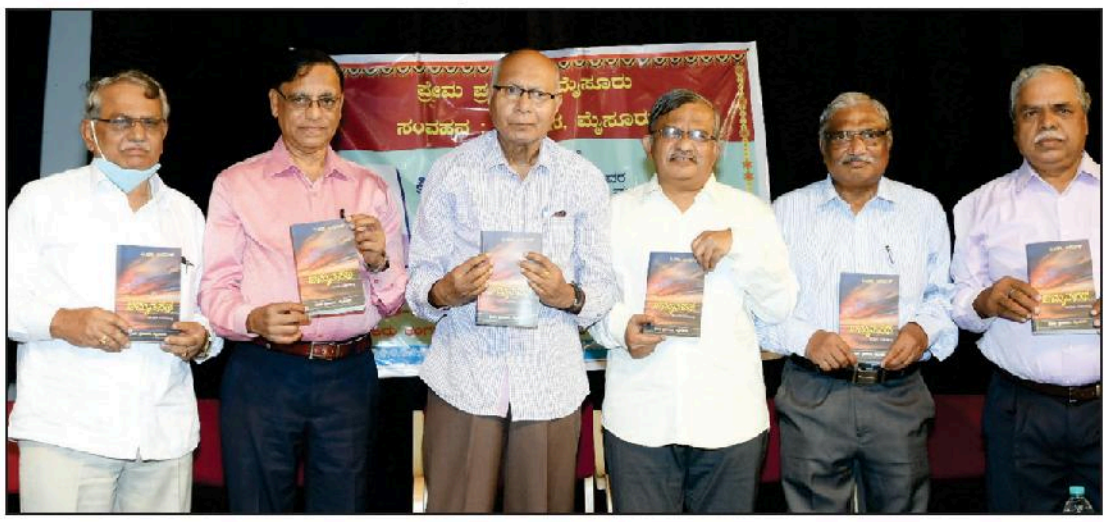
Interpretation of 'Mahakavya' still remains debatable, says veteran writer CPK



Mysuru, Dec. 10 (PM&DM)- Maintaining that the interpretation of the word 'Mahakavya' (epic poetry) remains debatable even today, veteran writer Dr. C.P. Krishnakumar (CPK) said despite this, Mahakavyas are emerging and hitting the book stands.

Memories of a Mysurean who served Gen. Bipin Rawat

Officer had banned use of smartphones by soldiers on Pak-China borders

K. Venu

Mysuru, Dec. 10 (MK&BCT)- India's first Chief of Defence Staff (CDS) General Bipin Laxman Singh Rawat, who was killed in a helicopter crash in Tamil Nadu on Dec. 8 was known as a jovial, straight-talking officer who initiated studies to reorganise the Army, make it a leaner force and fit for wars of the future.

"He was a real patriot who would not compromise even a bit in his profession and was known for his integrity. He used to complete the day's work on schedule and expected and ensured that his team too functions like a clock — precise, punctual and prompt," **said retired soldier from Mysuru K. Venu,** who had an opportunity to work with Bipin Rawat for one year.

Venu is a resident of Mysuru and has fond memories with the General. "We used to often hear words of patriotism from him and he had a passion for modernisation and he believed in his team. He was very open about issues and did not mince his words," Venu recalled.

"Rawat was not ready to compromise on duty at any point of time. He was always concerned about the safety and security of the nation and I felt many times that he was a born soldier," he added.

In 2007, Rawat was posted as a Sector Commander for Five Sector RR (Bandipora and

Late Gen. Bipin Rawat

Sopore) and Venu served him there. He was then promoted to the rank of Brigadier and commanded the Rashtriya Rifles or RR unit in Sopore, north of Srinagar, which at the time was a hotbed of militancy.

"You can imagine his integrity as he was elevated to the post of India's first CDS as he superseded two of his seniors to the role, a precedent repeated after 33 years. Serving him for one year was a momentous time in my military career and his encouraging words in tough and hostile terrain were inspiring," Venu told *Star of Mysore*.

Smartphones ban

As soon as Rawat took over as the Sector Commander, he banned the soldiers from using android (smart) phones due to the threat of data leaks and also, proximity to Pakistan and China. "He barred all of us from using android phones primarily to discourage sharing of photos, posts and location details that could be leaked to the terrorists or intercepted by the enemy forces," Venu recalled.

"This was to prevent soldiers from uploading images and videos related to their camps on social media websites that could be used by terrorists for potential ambushes. He passed the order that only keypad phones must be used in sensitive locations," Venu said.

"He took us into confidence and prepared us for any eventuality. He always exhorted us to be on guard and face the threat on its face. Rawat grew to high ranks because of individual capabilities. He was a fearless speaker and never minced any words. He is a very balanced officer, sincere, loyal and hard working," Venu said.

Bipin Rawat was a born-soldier and he was very determined and dedicated to his duty. It was only due to his capability, he became the CDS. Having good knowledge of the operations, manpower and logistics of our defence forces, he was very quick in the decision-making process.

Usually, the travel plans and itinerary of top military officers including the CDS would be under wraps till the last moment. This is due to security reasons. Only at the last minute, people close to the officer and flight crew would be briefed about the next destination the top officer would land, Venu stated.

There are many doubts in how an efficient and most advanced chopper has crashed in the jungles. Now people say that it crashed due to inclement weather. But the truth will have to come out after the Tri Service probe, he said.

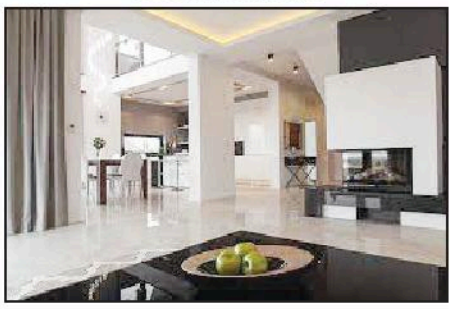
WORD OF THE DAY

Commodious



Pronunciation: kuh-MOH-dee-us.
Meaning: Commodious means "comfortably or conveniently spacious"—in a word, "roomy."
Origin: Commodious means "roomy." Earlier meanings are "beneficial" or "useful" as well as "serviceable." The adjective comes from Latin commodum, meaning "convenience." A commodious space, unarguably, has its benefits and conveniences.
Example: "When you live in Manhattan, nothing is commodious, and ... I became intimate with previously ignored details of my home, and suddenly, its long-neglected flaws and illogical organization systems began to feel unbearable." — Hanya Yanagihara

THE ODD WORD

Caconym

Wrongly derived name.

PHRASE OF THE DAY

Spine tingling

Meaning: The phrase 'spine tingling' is used in a moment when you feel frightened and excited at the same time.
Origin: This phrase is believed to have originated from action movies in the early the 80s.
Example: "Seeing my son take that dive in the pool was one of those spine-tingling moments."

QUOTE BOX

Night after night I could feel the chills go up and down my spine, they played so well.— **Lawrence Welk**
